American Drum Works brings together virtues that all drummers strive for - quality, performance, reliability, and great value which are combined in great looking drum sets that are suitable for the player just getting started, to the working professional drummer! It all starts with quality materials like real wood shells, wood hoops, and double braced hardware using strong steel and alloys, topped off with excellent finishes. Then it's handed over to assembly, each kit assembled accurately with care. The result is an incredibly high value product at a surprisingly low price!

Deluxe Bass Drum Pedal
One pair of ADW Drumsticks

Drum Sticks Included

Drum Trone Included

Kobra, the name says it all – sleek, fast and deadly!

ADW's premier drum series features 6-ply, PVC covered, high quality resonant mahogany shells. Also featuring real wood bass drum hoops, double braced heavy-duty hardware, deluxe telescopic spurs, bass drum pedal, and a deluxe boom cymbal stand. The 22" bass drum uses 16 lugs and the 14" x 6.5" snare drum uses an 8-lug rim system, the rack and floor toms utilize 12 lugs for accurate tuning and great, even tone. The "fusion" difference comes in with 10" and 12" rack toms, and the floor tom is mounted to the deluxe boom cymbal stand. The use of black and chrome hardware and black drum heads gives this set a truly unique look. The Kobra series includes, drum sticks, a drum throne, and a pair of brass 14" hi-hat cymbals, and a 16" brass crash cymbal. Kits are available in black, wine red, blue and silver. Everything the drummer needs to play the gig is included and packed in one box!

Panther 5 is ADW's mid-line series. It features the same 6-ply, PVC covered, high quality resonant mahogany shells of the top of the line Kobra Series. Deluxe double braced chrome hardware with black lugs and black stand joints are used. The set includes a boom cymbal stand, hi-hat stand, and bass drum pedal. Black rims and black rack tom holders are also utilized for a great look. This set has black metal bass drum hoops. The 22" bass drum and the 14" x 6.5" snare drum has 12 lugs, the rack toms have 10 lugs. The set includes a throne and a pair of 14" brass hi-hat cymbals, and a 16" brass crash cymbal. Finishes available are black, wine red, blue and silver. You'll be a "wild cat" playing this drum set!

American Drum Works pedals feature advanced design and the highest quality materials and workmanship. 3 models are available to choose from. There is an economy pedal which features a single chain drive and features double tension adjustment springs. This pedal is good for students and less demanding players. The deluxe pedal utilizes a double chain mechanism for the more demanding drummer, and features a two-sided beater, and heavy duty foot plate and metal base. Rounding out the family is the double-pedal. This pedal boasts a double chain mechanism, double and single tension adjustment, two-sided beater, heavy duty foot plate and metal base, and an adjustable connection arm.

American Drum Works marching drums offer great value for the price – made of wood, and with great care starting with the APD1014M marching snare drum. This snare drum is 14"x 10" and utilizes a 12-lug mounting system. Next we have the APD1046S marching snare drum. This snare drum is 14"x10", and also uses a 12 lug system. The ADW1416W marching snare is 14" x 16" and uses a 24 lug system. All ADW marching snares have a strainer release and include strap and sticks. They are available in the following finishes:

APD1014M

APD1046S-MR

ADW bass drums are made of wood and come in 22" and 26" models. The APD22106LBD is a 22" bass drum with 12 lugs. The APD26108LBD is a 26" bass drum using 16 lugs, and the APD1026BH8L is 26" size using 16 lugs.

The bass drums come in 3 finishes, red white and blue and include strap and beater.
